

United Way
East Ontario

Your new job. Your new way to make an impact.

Congratulations on your new role! You're now part of a workplace that cares deeply about both its people and our community. Your workplace has partnered United Way East Ontario to help make sure our neighbours and local families have the supports they need to thrive. As a new employee, you are now part of that support network.

Proven results from Workplace Giving

When caring employees like you chip in through their workplace campaigns, incredible things happen. Here is what your collective support made possible last year:

89,662

individuals received
life-changing support.

100

programs provided essential
community lifelines.

82

local agencies received
direct strategic investment.

What your donation makes possible.

Small, manageable amounts through payroll deduction add up
to make a major difference:

\$10 per pay

covers transportation
for a senior to access
medical appointments and
community programs.

\$40 per pay

funds monthly health
screenings, nutritional
guidance, dementia awareness
sessions, and wellness
workshops for seniors.

\$100 per pay

helps a young person facing
homelessness fully furnish
their first apartment.

Why give through United Way East Ontario?

Through a partnership with your workplace, United Way East Ontario invests in programs and services that address urgent needs while tackling the root causes of our region's most pressing challenges.

Basic needs & housing:

Helping families and youth stay housed and access food during unexpected crises.

Mental health care:

Ensuring fast access to effective and culturally appropriate counselling and emergency crisis resource supports.

Youth & senior programs:

Helping young people thrive after school and supporting older adults to stay connected to their communities.

Whatever your contribution to United Way, your gift stays 100% local, ensuring people struggling across Prescott-Russell, Ottawa, Lanark County, and Renfrew County get the help they need when they need it most.

Want to learn more about what local issues matter most to you?

Visit unitedwayeo.ca/local-issues to learn more about our work with the issues you care about.

How to get started

1. **Pick an amount** that comfortably works with your current budget.
2. **Visit your donation site** to set up a quick one-time gift, monthly donation, or simple payroll deduction.
3. **Complete your donation** today and join our new team in building a stronger community!

Please give today to power the solutions our communities need right now.
