

United Way
East Ontario

Your next chapter starts now.

Continue making a difference in your community.

Congratulations on your upcoming retirement! As you celebrate this exciting transition, we'd like to offer our sincere thanks. By supporting your workplace's United Way campaign, you have been helping us tackle our region's most pressing challenges. Because of your generosity, local families, isolated seniors, youth, and neighbours in crisis across Prescott-Russell, Ottawa, Lanark County, and Renfrew County have received vital support when they needed it most.

We could not do the work we do without you!

As you look ahead to retirement, we invite you to stay connected to the causes you care about and continue supporting local impact in a way that works for you.

Simple ways to give in retirement

Continuing your support is easy, flexible, and tailored to your financial goals:

Pension deductions:

Check with your workplace about setting up seamless, ongoing contributions directly through your monthly pension.

Gifts of securities:

Make a tax-smart donation using publicly listed securities to eliminate taxable capital gains while driving maximum local impact.

Monthly credit card gifts:

Set up an automatic monthly donation to provide ongoing support for critical local programs.

Build your legacy through planned giving & our Tomorrow Fund program

As you prepare for retirement, consider leaving a lasting mark on the region you love through United Way's Tomorrow Fund program:

- **Zero financial impact today:** A bequest in your will costs nothing during your lifetime, ensuring your financial security today while building a stronger community for tomorrow.
- **Support loved ones and your community:** You can make a transformative difference without compromising your family's future. Leaving just 5% of an estate ensures 95% stays intact for your loved ones while providing significant resources to local families in need.
- **Solve root causes long-term:** Endowments to the Tomorrow Fund ensure United Way can tackle systemic local issues for generations to come.

Stay Connected

We want to keep you updated on the local impact your support makes possible!
